

## **“GROWING IN FAITH GIFTING” ORDER FORM**

The new building space was built with funding by the “Growing in Faith Campaign” but furniture and other items are needed to make the space both livable and usable. While there is a budget to provide some of these furnishings, additional assistance is needed.

The “Gifting Guide” is a list, by room, of many of the items needed to outfit the space. This order form provides you with the opportunity to ‘gift’ the new space and memorialize or honor someone in your life at the same time. Gifts, in any amount, for partial or full payment toward items in the Guide are welcome.
